To Whom It May Concern:

It is my great pleasure to highly recommend Magick as a Tarot reader and consultant. She has performed readings here at The Mansion Hotel for the past five years after coming highly recommended for her four years of work at Vesuvio, an historic North Beach landmark.

We, the management of The Mansion, have always been amazed by the incredible feedback we receive from our clientele about the accuracy and usefulness of her readings. Magick's 15 years of experience as a reader and teacher give her the versatility to relate to all kinds of people. Her outgoing personality and natural charm and beauty have been a great asset to our establishment.

Magick's readings can range from brief and specific to in-depth and detailed, depending on the needs of the clients. She has also been an asset to our private parties and special events. Her intelligence and enthusiasm has enlivened many of our events. If you wish to know more, please feel free to contact me.

Sincerely,

Skip Sikora
General Manager
